

# Spirit Rock Contract

Week of \_\_\_\_\_ to \_\_\_\_\_

I, \_\_\_\_\_, parent/guardian of \_\_\_\_\_ (student name), understand that my use of the spirit rock is limited to only the rock itself. I must provide my own paint and clean up any mess left on school property after decorating the rock. My \$20 per week is a donation to the WCE PTO and is non-refundable even if the school personnel finds the decoration of the rock to be inappropriate for public viewing and covers it. Inappropriate decoration may include, but is not limited to, foul and inflammatory language, pictures of any sort of violent or sexual nature, and/or racial slurs. The rock will be available on a first come, first serve basis. The \$20 donation will be due at the time the contract is returned. Please print on the back of this form what you intend to put on the rock for pre-approval from school personnel.
